ABOUT UNIVERSITY OF MYSORE

The University of Mysore is one of the famous, prestigious and very few oldest universities in India. The University was founded as a result of the efforts made by the benevolent and visionary Maharaja of erstwhile Princely State of Mysore His Highness 'Rajarshi' Shri Nalvadi Krishnaraja Wadiyar –IV (1884-1940) and the then Diwan Sir.M.Vishvesvaraya (1860-1962). Prior to that, all the institutions of Higher Education and Colleges within the Mysore State was under the administration of Madras Presidency and were functioning under Madras University.

Mysore University is the first University in Karnataka State to be accredited by NAAC and has undergone NAAC Accreditation Thrice – First in 2000 with 'Five Star' Status, second time in 2006 with a 'A+' Level and for the Third time in 2012 with a CGAP score of 3.47 on a 4 point scale. NAAC has designated Mysore University as a 'High performing Institution; The University Grants commission has placed Mysore University Under Tier –II Category of Graded Autonomy. Govt. Of India has recognized Mysore University as "Institution of Excellence (IOE) in 2008 while the UGC has recognized Mysore University as a University with Potential for Excellence (UPE) in 2009. On the other hand Mysore University is also recognized as a centre with potential for Excellence in a Particular Area (CPEPA). On the recommendations of Karnataka Knowledge commission, the Karnataka government has considered Mysore University as an "Innovative University". Current Science has ranked Mysore University as one of the top 20 Universities Scientific and Research endeavours.

From the four PG Campuses namely Mysore (Manasagangothri, Mandya (Thubinakere) Hassan (Hemagangothri) and Chamarajanagar (Suvarnagangothri) there are 63 PG Departments offering 76 Postgraduate, M.Phil. and Ph.D. Programmes. There are 219 affiliated colleges.

About Department of Physical Education

University of Mysore has been striving for academic excellence, and at the same time sponsoring varieties of activities that would contribute to the wholesome development of personality and promote health among students. Sports and games are one such area promoted by the University with an intention of ensuring physical, mental and emotional health of the student community. For smooth conduct of the sports endeared by the students, the department of physical education was established by the University of Mysore in the year 1928.

1.2. The Objectives of this project are: 1.2.1. Digitizing records. This will be mutually facilitated to assure that the data created is optimal for the ultimate Aspirations we set out to achieve. This will be accomplished through both manual and automated processes.

1.2.2. Staying engaged on the platform across Education, Training, Practice and Performance with Learning. This is across both the Physical and Virtual enabled by Digital.

1.2.3. Managing and Monitoring the Progress with adequate communications across the department to encourage participation with immersion.

1.2.4. Documenting the Aspirations (Desired State), the Status Quo (Current State) and working with the emerging compass to navigate the journey of Transformation and Innovation with Excellence.

1.2.5. Periodically reviewing the Progress and Renewing the path with a named core team in charge of tracing, tracking, and testing the progress for success.

ARTICLE 2

DURATION: This MOU will be operative from the date of signing for a period of 9 Months and will expire or extend based on mutual consent and conviction.

ARTICLE 3

OVERSIGHT: It is expected that UOM will create an oversight committee to map, manage and monitor the progress and guide the overall development of the Program.

ARTICLE 4

FUNDING: Giggr Technologies does not expect to be compensated in any manner. However, there may be requirements to propose and seek funding from traditional sources such as the University Grants, Sports Authority of India (SAI) and other unconventional agencies such as the Private Sector to sponsor, promote and fund the initiatives undertaken. All such requirements will be mutually agreed upon to benefit the UOM and its ecosystem.

ARTICLE 5

POST TRIAL: The engagement Post the Trail period will be involved with the active involvement of the Stakeholders of UOM. The data created will be owned by the Individuals as well as the University and UOM will reserve the last right of refusal to take the initiative forward beyond the period of the experimentation of 9 months.
